it is the policy of the Board of Management & GRETb to ensure, so far as is reasonably practicable, the safety, health and welfare at work of all staff and to protect pupils, visitors, contractors and other persons at the school from injury and ill health arising from any work activity. - b. provide information, training, instruction and supervision where necessary, to enable staff to perform their work safely and effectively;
- c. maintain a constant and continuing interest in safety and health matters pertinent to the activities of the school;
- d. continually improve the system in place for the management of occupational safety and health and review it periodically to ensure it remains relevant, appropriate and effective;
- e. consult with staff on matters related to safety, health and welfare at work;
- f. provide the necessary resources to ensure the safety, health and welfare of all those to whom it owes a duty of care, including staff, pupils, contractors and visitors.
